Defendant.	)	

This matter is before the court on defendant's Motion for Continuance [31]. This matter is before the court on the defendant's Motion for Continuance [31]. The motion is unopposed by the government. Counsel intend to negotiate a resolution in order to avoid trial. The court is concerned about counsel's diligence in this matter; but, good cause has been shown for the requested continuance at this time. Accordingly,

**IT IS ORDERED** that defendant's Motion for Continuance [31] is granted, as follows:

1. The jury trial, now set for April 20, 2021, is continued to **June 22, 2021**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and June 22, 2021**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances without a hearing before the Magistrate Judge.**

**DATED: April 20, 2021.**

**BY THE COURT:**

**United States Magistrate Judge**
